The Solution Providers

ARMSTRONG INTERNATIONAL INC.

Steam & Condensate

Steam Traps - Inverted Bucket (IB), Float & Thermostatic (F&T), Disc, Thermostatic, Bimetallic, Clean Steam, Radiator Traps, Trap Valve Stations (TVS), Pressure & Temperature Regulators, Control Valves, Condensate Systems, Pump Traps, Flash Tanks, Condensate Coolers, SteamEye®, AIM, Strainers, Separators, Steam and Condensate Manifolds, Air Vents, Liquid Drainers

Hot Water

BRAIN® Digital Mixing Valve, Digital-Flo® Hot Water Heaters, Flo-Direct® Gas Fired Hot Water Heaters, Heat Transfer Packages, Flo-Rite-Temp® Steam to Water Heater, RADA Thermostatic Mixing Valves, Washdown Hose Stations, Steamix, Emech® Industrial Digital Mixing Valves, SAGE® connectivity for BAS systems, VFD Pump Assemblies

Humidification

Direct Steam Injection, HumidiPack®, Gas & Electric Steam, HumidiClean, Steam to Steam, Unfired Steam Generators, Ionic Bed Technology, Fogging Systems

Service

Steam and Hot Water Energy Audits, Turnkey Installations, Operations & Maintenance Services

Heat Transfer

Heating & Cooling Coils, Unit Heaters, Tank Heaters

Pressure & Temperature Controls

Pressure & Temperature Regulators, Control Valves

SAGE® BY ARMSTRONG

Fully Integrated Industry Solutions, SAGE UMT™ automatic Steam Trap Tester, SAGE® Mobile, Hot Water System - Updates, Reports and Alerts, Steam System - Updates, Reports and Alerts, Subscription Information

VERIS - FLOW MEASUREMENT

VERIS ACCELABAR®, VERIS VERABAR®, Armstrong Vortex Meter, Armstrong Orifice Plate, Armstrong Venturi Tube, Armstrong ASME Flow Nozzle, Armstrong Wedge Meter, Electromagnetic Meter, Ultrasonic Meter

DFT

Silent Check Valves, Spring Assisted Check Valves, Threaded, Wafer, Flanged, Vacuum Breaker Check Valves, Sanitary Check Valves, Water Check Valves

DONALDSON FILTRATION SOLUTIONS

Culinary and Process Steam Filters, Steam Sterilizing Filters, Sanitary and Industrial Applications
Compressed Air & Process Products, Air & Gas Filters

HYSpan / UNIVERSAL METAL HOSE

Ball Joints, Expansion Joints, Expansion Compensators, Barco Venturi Flow Meters, Flex Metal Hose, V-Flex, Pipe Guides

JFD TUBE & COIL

Tube Bundles, Heat Exchangers, Coils, Fin Coils

KADANT INC.

Rotary Pressure Joints, Vacuum Breakers, Air & Steam Separators, Sight Flow Indicators, Solenoid & Pneumatic Valves

KUNKLE VALVE

Safety & Relief Valves, Drip Pan Elbows

LATTNER

Steam, Hot Water & Condensing Boilers (Gas, Oil, Electric), Aftercoolers, Blowdown Separators, Condensate Return Systems

MACON BALANCING VALVES

Automatic & Manual Balancing Valves, Coil Hook-up Packages, Circuit Setters

MUELLER STEAM SPECIALTY

Strainers: "Y" and Basket, Check Valves, Triple Duty Valves, Suction Diffusers, Butterfly Valves

Palmer Instruments

Pressure Gauges, Thermometers, Thermowells

QMax Industries

Heat Tracing - Steam / Hot Oil Tracing Systems, Tank Heating, Equipment Jacketing, High-performance Electric Tracing

Shannon Global Energy Solutions

Removable and Reusable Blanket Insulation and Shields; Acoustic, Thermal and Safety Blankets and Shields

SECESPOL

Stainless Steel Heat Exchangers - Shell & Tube, Plate & Frame, Custom HX

Tretrice

Pressure Gauges, Thermometers, Thermowells

Tunstall Inc.

Thermostatic Steam Traps, Radiator Valves, Radiator Replacement Capsules

Whatever your industry or application, **Associated Steam, Air & Hot Water** stands ready as your trusted thermal utility partner.

Contact us via phone at **800-477-1620**, via email at sales@associatedsteam.com, or visit us on the web at www.AssociatedSteam.com
